Impact evaluation

Eric Mino

EMWIS Technical Unit

EURO-MEDITERRANEAN PARTNERSHIP

Logical Framework - Objectives

	Intervention logic	Objectively verifiable indicators of achievement	Sources and means of verification
Overall objectives	To increase the cooperation between the Euro-Mediterranean countries in local water management	Increased number of collaboration projects and programmes by 2010	
	To improve local water management		
Project purpose	Enhancing EMWIS operation / Sharing information on know-how	<p>Creation of NFP</p> <p>Amount of information sources identified</p> <p>Access to information sources</p> <p>Operation of NFP websites</p>	<p>Number of NFP</p> <p>Amount of links Entries thematic directory</p> <p>Amount of indexed information sources</p> <p>Amount of visitor sessions per month (statistics)</p>

Logical Framework – Results

Intervention logic	Objectively verifiable indicators of achievement	Sources and means of verification
1, Co-ordination with political structures	Meetings organised: 3 Steering Committee meetings; 3 Coordination Committee seminars; 1 meeting of the Euro-Med Water Directors	List of participants, agenda and conclusions
2, Reinforcement of the NFPs	Creation and operation of NFP: 14 NFP websites online in 2003, 17 in 2004, 18 in 2005 NFP training seminars	List of participants, agenda and conclusions
	Review of national needs and requirements	Report on each MPC
3, Expansion and development of services	Launch of one new service per year Synchronised event calendar, updated 6 times a year	Statistics of use Statistics of use
	Operation of a MetaCrawler	Statistics of use
4, Technical review and upgrade of the existing system	Report on the upgrade of the technical architecture; Migration roadmap	

Logical Framework – Results 2 / 2

Intervention logic	Objectively verifiable indicators of achievement	Sources and means of verification
5, Operation of Euro-Med water information services	Number of yearly updates of EMWIS website: 12 Yearly visits to EMWIS sites: 25000 Access to EMWIS website in Arabic Number of records in the thematic directory: 2000 organisations	Statistics of consultation Statistics of consultation % of pages with access in Arabic
6, Fostering the promotion of the system	Promotional plan Publication of 3 press releases per year Presentation of EMWIS at 2 events per year	Report Annual press book List of events
7, Development of topical activities (analyses, summaries and events)	1 event organised per year Publication of 2 analysis per year	List of participants, agenda and conclusions Statistics on the consultation of the publications
8, Support to the MEDA-Water Programme	Creation and operation of a MEDA-Water web pages: 6 updates per year	Statistics of consultation
9, Liaison with international initiatives	Signature of 2 international agreements per year Organisation of 2 workshops	Text of the agreements

NFP objectives

- **What are the problems that the NFP should help to resolve?**
- **Translation of the problems into objectives for the NFP**

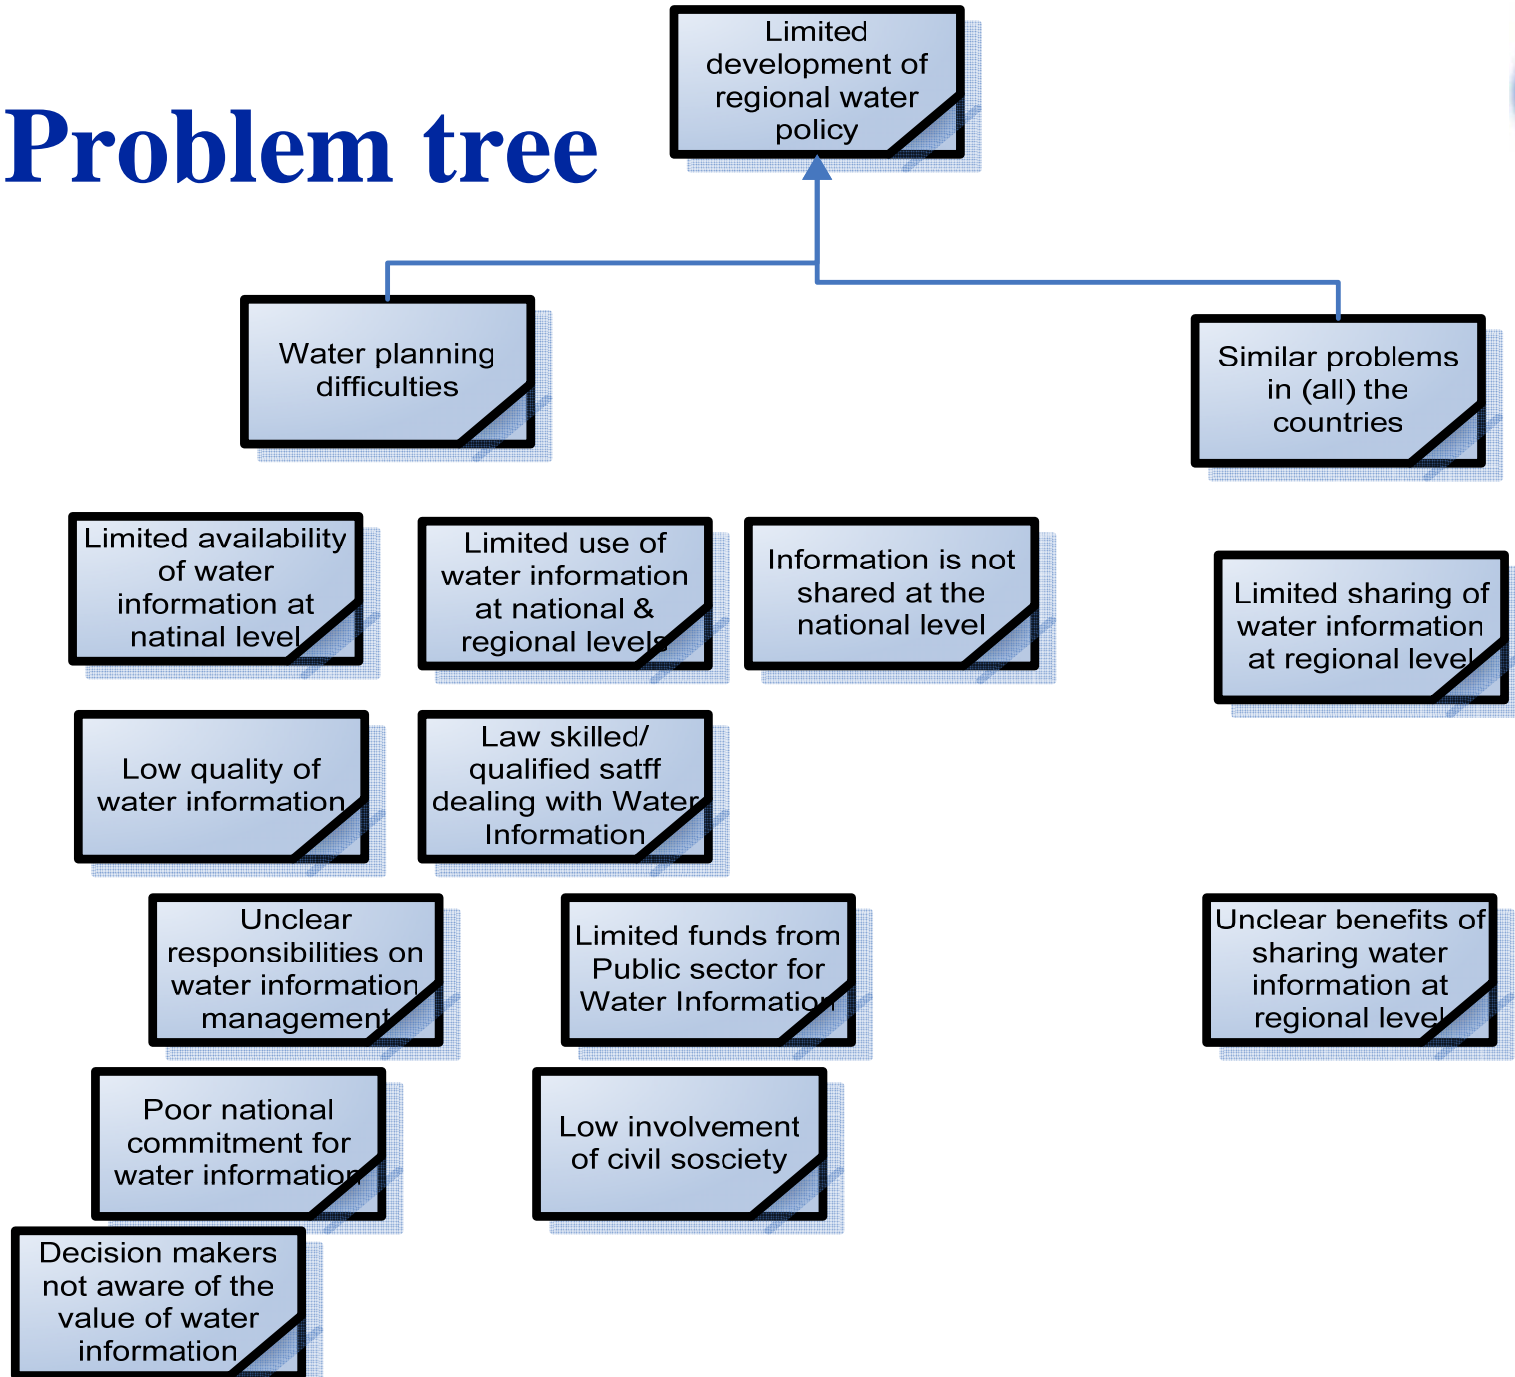

NFP results

- **Activities to be carried out to achieve the objectives?**
- **Indicators on the achievements of the objectives?**
